

Hoeflon C 10

Ogólne cechy

Marka	Hoeflon
Podkategoria	Minidźwig
Rok budowy	2018
Odczyt licznika godzin	4929
Stan	Używane
Ogólny stan	Bardzo dobry
ceMarking	Tak

Właściwości

Masa własna	4.600kg
Maksymalna zdolność podnoszenia	3.990kg
liftingHeight	2.200cm

Hoeflon C 10

Opis

= Additional options and accessories = - Hook blocks = Remarks = Hoeflon C10 * 2018 * Diesel and 380 Volt drive * 4,929 operating hours * Fly jib * 4,000 kg winch * Non-marking tracks * Remote control * 22 meter hook height * 19.8 meter horizontal reach * Unlimited swing rotation * 3,990 kg lifting capacity * 4,700 kg own weight * Recently underwent full service and major maintenance at Hoeflon in which, among other things, the slewing ring and winch cable were replaced * Includes maintenance history = More information = Make of engine: Yanmar Delivery terms: EXW Latest inspection: 2026-01-15 Production country: NL Please contact Vink Machinery (+31 620075567, sales@vinkmachinery.nl) for more information
